

FROM THE BOOK WORK FROM HOME WHILE YOU ROAM:
THE ULTIMATE GUIDE TO JOBS THAT CAN BE DONE FROM ANYWHERE

BONUS SECTION: 15 GEMS You Must Not Miss

STOP! Don't move on to the [Mega List of Jobs](#) without checking out these 15 gems.

Out of the hundreds of resources and job listings in this book, these 15 have something that makes them unique or illustrates the massive range of remote opportunities to be found.

If you're looking for buried treasure in this book,
Here is your Quick Start Guide to 15 GEMS YOU MUST NOT MISS.

[ANALYSIA.COM](https://www.analysisia.com)

Analysisia provides feedback on website and app performance by providing real-world Testers. Per Analysisia, they accept "anybody with an Internet connection and a microphone; we accept a good variety of users from many locations and many different profiles." Testers surf the site while providing audio and/or video of their experience. Testers can expect to receive invitations to participate in a few tests each month. The tests generally take 15 minutes, for which the tester is paid \$10 via PayPal.

#KEY WORDS: Website Testing

CERTIFIED FIELD ASSOCIATES

CFA provides Secret Shoppers and on-site evaluations for movie theaters. Once registered, Associates receive emails notifying them of assignments in their area; any assignment may be accepted or declined. Offers include becoming a Mystery Shopper, checking the trailers played before movies, counting patrons, and more. Information on pay is included in each assignment offer, but online reviews indicate pay ranges from \$7 to \$15 per hour.

DECLUTTR

Decluttr is a site that purchases phones, tech products, CDs DVDs, games, books and Legos. Sellers scan product barcodes on the Decluttr website to see the offered purchase price, which they can accept or decline. If accepted, the Seller sends the item cost-free via UPS and is paid the following day through PayPal, check or direct deposit.

DRONEBASE

Freelance Drone Pilots can find freelance work through DroneBase. Pilots must have a Part 107 license (a remote pilot certificate that allows commercial flight; study guides can be found online, then an exam is taken in person with the FAA) to register. DroneBase

will then send Pilots available missions in their area, including location, due date and payrate. If accepted, the Pilot uses his own drone to fly the mission, uploads the media asset (image or video) and gets paid. DroneBase also offers advanced drone training to enhance their pilot's skillsets.

[eJURY](#)

eJury helps attorneys prepare for trial by providing mock-juries and focus groups. Potential "Jurors" must take an oath (stating they are not signing up under false pretenses), verify their identity, and complete a demographic profile. eJury is available for residents in all 50 states who are a U.S. citizen over 18 years of age that have never been convicted of a felony; those near major metropolitan areas are likely to have more opportunities to participate. After reviewing a case online, they complete a 6-page case study and are paid \$5 to \$10.

#JOB TYPE: Side Hustle, Task

#KEY WORDS: Legal, Mystery Shopper, Survey

[FOAP](#)

Foap allows photographers to sell their work to companies in the FOAP Marketplace. Photos sell for up to \$10 a piece and Foap splits that revenue with the Photographer on a 50/50 basis. Foap also runs platform "missions" which require photos of specific products with rewards ranging from \$100 to \$500. Payment is made monthly via PayPal.

ITALKI

iTalki connects individuals and businesses across the globe with Language Teachers via webcam lessons. Teachers apply through the desktop version of iTalki. To become a Teacher, apply using the desktop version of teachitalki.com by selecting "Sign Up" at the top of the home page, and film a demo lesson for the application (details are available on the iTalki site). Once accepted, Teachers create a profile through which students may hire them. Compensation varies by class and skill level and iTalki retains 15% of the lesson fee. The student pays iTalki in advance of the lesson and the Teacher is compensated after the lesson is completed. Two types of Teachers are accepted: Professional and Community. Becoming a Professional Teacher on the iTalki platform requires a teaching certification (like TEFOL) but the Community Teacher position does not, making it a great platform through which beginning Teachers can gain experience.

JUSTANSWER

JustAnswer offers its members on-demand answers from professionals in a variety of fields. There are over 175 categories, but the most popular include tax, finance, law, mechanics, doctors, veterinarians, electricians, plumbers, electronics and computers. Freelancers who wish to join JustAnswer must submit a resume with professional credentials, which is then vetted by the JustAnswer Advisory Board. Experts set their own schedule and compensation varies, but per JustAnswer, top experts earn \$1000s each month resolving customer questions.

ROADIE

Roadie is an “on-the-way delivery service” that connects clients with Drivers. Roadie Drivers deliver items locally or across country on routes they are already driving. Items vary from bicycles to fine art and pets. To apply, Drivers must be over 18 years of age, pass a background check, have a social security number, a valid U.S. driver’s license and complete an online tutorial. Once approved, Drivers download the Roadie app, review gigs and make an offer to complete one. Once the offer is accepted, the Driver receives notification to complete the gig. Per Roadie, “From Side Hustle to full-time and everything in between, Roadie is the most flexible way to earn money on the side. Whether you like driving local or long haul, the Roadie app makes it easy to earn cash and rewards.” Compensation, location, size and distance are outlined in advance. Most local deliveries pay between \$8 and \$50, and long-distance deliveries with oversized items can pay up to \$650 or more. Payment is made 3 to 5 days after the delivery is completed and is deposited directly into a bank account.

SUGAR BEET HARVEST

The Sugar Beet Harvest hires over 1300 workers seasonally for 45 sugar beet receiving stations in North Dakota and Montana. Positions include Helper and Sample Taker, Pile Operator and Skidsteer Operator. Work runs 2 weeks each year with a one-month commitment required to accommodate any weather interruptions. The harvest usually starts in early October; RV/Campers can expect to arrive at their assigned area the last week of September.

Workers must be eligible to work in the United States, but there is also a Canadian application process (see the website for details). Workers make a minimum of \$14 an hour and must have the ability to lift 25 pounds (50 pounds for Skidsteer Operators) and work in 12-hour shifts. The shifts run 7:00 a.m. to 7:00 p.m. or 8:00 p.m. to 8:00 a.m. Saturday workers receive time-and-a-half wages and Sunday workers receive double wages. Seasonal workers can earn up to \$2500 in 2 weeks with compensation being paid through direct deposit or a Global Cash Card. Campsite fees are paid by the employer. Hiring starts in January of every year. Apply [here](#).

[THE SMART CROWD](#)

The Smart Crowd (formerly known as VirtualBee) uses a workforce of home-based Independent Contractors to enter client data. Freelancers can be assigned a wide variety of gigs based on their demographics, education, area of expertise and language skills. These gigs include validation, metadata tagging, online research, product testing, survey, and translation. Per The Smart Crowd “we offer you the ability to earn money by completing small tasks that you can fit in your schedule. You work for yourself, on as many tasks as you choose, from your own device, wherever, and whenever, you want.” Pay varies by task and is paid once a month. The Smart Crowd provides further details during the sign-up process.

[VOICES.COM](#)

Voices.com provides on-demand professional Voice Actors for a variety of projects like training videos, commercials, and promotional materials. A voice-over demo is required for consideration, as well as a professional image or logo. Once accepted, Voice Actors can become a member of Voices.com. There is a free membership as well as a paid membership that costs \$499 per year. The free membership is great for beginners to create a profile, learn the system and receive invitations to work. The Premium Membership, however, gives Actors the chance to see and audition for incoming projects. Clients post a sample text and can then receive audio audition downloads from which they can choose an Actor. Actors work as much as they like and set the price for their work. Voices.com handles all the invoicing and billing; the Actor is paid 100% of their quoted fee via check or PayPal upon completion of the project.

[WORKING SOLUTIONS](#)

Working Solutions provides remote customer service workforce for its clients. This workforce is comprised of Independent Contractors who are trained in each client's business to provide improved customer satisfaction, efficiency, up-sales and to protect against unexpected business spikes and disasters. Qualified contractors come from a variety of industries and earn anywhere from \$9 to \$30 an hour, depending on the program. To apply, candidates provide an assessment which tests their written and verbal skills, which takes less than an hour to complete. Working Solutions "Agents" then determine their own schedule and work 100% from home. Agents are paid monthly by check or via direct deposit.
